

# WHAT TO BRING

## Planning For An Enjoyable Stay at Amiscape Woods

---

### Food

- Amiscape Woods is located 9 kilometers from the Village of Caslan, where a convenience store provides food staples, wine/beer, distilled water and gas.
- There are also two larger grocery stores in Boyle, about 29 kilometers on the other side of the lake. Once you get to Amiscape Woods, you won't want to drive back and forth for supplies, so plan ahead!
- The kitchen is fully equipped with all the utensils, dishes, pots and pans you'll need.

### Drinking Water

- Potable water for drinking and cooking must be brought in. Please be sure to specify the number of people in your party in order that we have sufficient reserves on hand. Drinking water is served from a water cooler.
- Filtered and disinfected lake water is available for all other purposes from two indoor hand-pumps located in the kitchen and bathroom.

### Bedding & Towels

- Please bring your own bedding, pillow cases, blankets or sleeping bags, kitchen linens/dish towels for your party, and personal (wash and beach) towels. Pillows are supplied with your rental.
- There are no laundry facilities on site; a public laundry operates in Boyle.

### Toiletries

- Supplies such as toilet and tissue paper are provided in normal quantities for the number of people in your party.
- Do remember to bring your own sunscreen, insect repellent and personal toiletries such as soap, shampoo, toothpaste.
- Hair-dryer use is not encouraged because of the drain on the solar power supply.

### Clothes & Equipment

- Bring clothing appropriate for the season. Evenings by the campfire get cool after sunset, so bring a warm coat and pants.
- No outdoor shoes are allowed in the Amiscape Lodge to protect the pine floors - you'll need moccasins, or soft-soled indoor shoes.
- Pack for whatever outdoor activities you plan to enjoy. A canoe is available for your use (including paddles and mandatory PFD's for adults. If you have children, please provide your own PFD's.).
